

# Wish List

**1<sup>ST</sup> GRADE**

[www.amazon.com](http://www.amazon.com)

The first grade teachers have put their wish lists on Amazon. If you purchase an item on the list, it will automatically be removed. If you want to buy an item from the list at a local store, that is fine too. Just tell the teacher you did not get it online so she can remove the item from the wish list.

To find a teacher's wish list go to Amazon and click on the wish list button. Find someone's list by typing the name:

Tara Frank

Becky Johnson

Tracy Kill

Thank you!
