Who is it for?

YouthServe is designed for parish or school teams of young adolescents going into 8th & 9th grades.

What is it?

YouthServe offers an integrated approach to service learning from a Catholic perspective. A three-day program, **YouthServe** assists young disciples in responding to their call to serve others by combining learning with hands-on experience at local work sites.

Why YouthServe?

YouthServe builds on young adolescents' capacity for service to others. Young people hunger for meaningful experiences in helping others. **YouthServe** provides engaging learning activities based on the life of Jesus and Catholic Social Teaching, and introduces adolescents to service as an integral part of Christian discipleship.
